

Sisters Helping Sisters Fishing Tournament

Celebrating our 12th year of Changing Lives

April 26th & 27th 2024 at Bayshore Park, San Leon Texas

Now, in our 12th year, SHS along with Pampered Pink Gala has put over \$880,000.00 directly into the hands of local women battling breast cancer. We receive referrals locally and from dozens of cancer centers. The number of referrals is overwhelming and continues to grow. By offering financial support for these women and their families, we try to alleviate some of the stressors that they face. It may be to pay rent, help with a co-pay, insurance bills, a light bill or just groceries. These are things often overlooked when considering how to help. We welcome you to join us in our mission. Without the support of all who participate and support SHS, many women would go without the extra peace of mind that we provide during their treatment.

Highlights of the Presented by Sponsorship opportunity includes printing of your company name and logo on the top area of tournament t-shirts, event banners, social media recognition that reaches thousands of local supporters in Harris, Galveston and 4 surrounding counties, sponsor networking and SHS website exposure. Other sponsorships which also include many advertisement opportunities are available.
